

POSITION PROFILE

A team of two experienced entrepreneurs (IPO, financing rounds, sales scaling) has set itself the task of creating a platform which contributes to a sustainable change of global carpet production and distribution. The team is currently in the preparatory stage and is preparing the go-to-market in the next 3 months. In particular, for business planning, the preparation of the go-to-market strategy and the acquisition of a first risk capital financing for market launch.

Intern (m / f) Business Development / Finance (m / f)

The position will be in our Cologne, Germany office. This position offers the opportunity to enter a broad network of experienced entrepreneurs and investors, and to collect the tools for the first steps of founding and financing a company.

Your tasks
